TEACHER OF THE MONTH

MRS. LACEY

"Mrs. Lacey is a phenomenal teacher who goes above and beyond with joy and dedication. She is loving but still has high expectations and my child has grown in every way possible! Our daughter adores her and loves going to school every day. Mrs. Lacey makes learning to read fun by teaching the students about heart words and silly phonics stories. In fact, my daughter is always pointing these out to me when she is reading, and I am blown away at how much she can read because of them. She has learned and grown so much in her social and emotional skills. She had learned about integrity, how to be a problem solver, and to believe in herself. Besides being phenomenal with the children, Mrs. Lacey has also excelled at parent communication and keeping parents connected through the Seesaw app through pictures and videos. Outside of the classroom, Mrs. Lacey is constantly continuing her education to ensure she is the best educator possible for the children. We're so thankful to Mrs. Lacey and could not have picked a better teacher to lead our daughter through her kindergarten school year."

SPONSOR OF THE MONTH

SRA LIANDRO NUNEZ

"SRA Liandro Nunez performed outstandingly as a sponsor for the newest team member to join the Avionics Flight of the 31st Maintenance Squadron. He reached out and stayed in constant contact to ensure the new member's transition to Aviano would go well. There turned out to be many hiccups, including canceled flights, delayed reservations, and many hurdles to jump over. Even though Liandro was outside his normal work center during the arrival period, he still made it his mission for the new member to become comfortable and have a welcoming committee greet him. Liandro made sure to stay in touch and provide the new member with the necessary resources to navigate Aviano and feel comfortable. Throughout the transition, he provided personalized help and support."

31 FSS TITAN SPOTLIGHT

MONTH OF THE *Military Child*

WHAT IS MONTH OF THE MILITARY CHILD?

Each year, April is set aside as a military child appreciation month, officially known as the Month of the Military Child. Because purple is a color used to represent all military services, the theme "Purple Up" is used over the course of the month. Their strength and resiliency are inspirational. Military children face significant life changes, extended separation from their parent(s), and so much more. They are truly rock stars!
