

ARTS & CRAFTS

ENGRAVING

SHOP

The title is rendered in a classic, hand-drawn style. 'ARTS & CRAFTS' is in a smaller, sans-serif font, arched over the top left. 'ENGRAVING' is the largest word, in a bold, blocky sans-serif font, slanted upwards from left to right. 'SHOP' is in a similar bold font, positioned to the right of 'ENGRAVING'. The text is surrounded by intricate, golden-yellow decorative lines, including swirls, flourishes, and a large, stylized 'S' shape that frames the main text. Below the main title is a horizontal banner with a double-line border and a central rectangular area containing the word 'CATALOG' in a simple, bold font.

ARTS & CRAFTS ENGRAVING SHOP

ABOUT US

The Aviano Engraving Shop is a part of the Aviano Arts & Crafts Center. We are a small team committed to making all of our customers at Aviano Air Base happy and satisfied!

Our Epilog Laser Fusion M2 machine utilizes both CO2 and Fiber laser, allowing us to engrave almost all surfaces up to 39" in length including wood, metal, coated metal, glass, acrylic, leather, brass, stainless steel, marble, ceramic, bamboo, paper, tool foam, and plastic! We also have a rotary attachment allowing our machine to engrave both flat and cylindrical surfaces*.

We have a wide selection of images and fonts to choose from, or you can upload your own design. Each one of our high-quality items and your custom pieces are engraved with utmost precision and care. Our turn-around time on projects can range from 1-2 weeks, however we do offer rushes**.

We look forward to engraving your next project!

**Cylindrical surfaces will need to be evaluated before guarantee of machine compatibility.*

***Rushes are accepted upon availability, with rush fee applied.*
