Continue on the back as needed. All family members over the age of 14 are issued their own library card but their accounts are tied to their sponsors for accountability. Information about items checked out will not be shared between account holders unless items are overdue, missing, or damaged. Email overdue notices will be sent to account owners if their emails are entered above, otherwise they will be sent to the sponsor. Patrons under the age of 18 may not check out high value items.

I hereby agree to comply with all rules, regulations, and policies of the library. I will be responsible for replacement of lost or damaged materials borrowed by myself or my authorized family members or dependents. In using the computer lab, wifi, or other internet technology including personal devices connected to library networks, I agree to abide by library policies against piracy and theft. Accounts remain active for 2 years after signup or until all missing items are returned or replaced.
